

RIVETKING® QUIKSNAP®

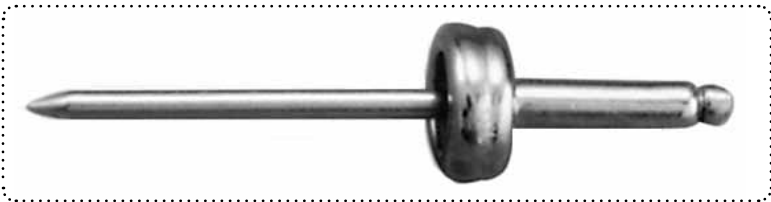

NICKEL PLATED BRASS HEAD/ STAINLESS MANDREL

The innovative RivetKing® Quick-Snap™ is the ideal companion to the standard canvas snap used on truck bodies, convertibles, boats, cars and many other applications. The snap head is brass, with a bright nickel plating. The mandrel is stainless steel. Requires T105-734 Nosepiece.

The extract force is a minimum of 5 lbs.
