

RIVETKING® RK-753™ ASSEMBLY TOOL

RK-753 QUICKRIVETING® HAND TOOL

BUILT WITH SPEED, POWER, AND RELIABILITY IN MIND, THE RK-753™ IS YOUR TURNKEY SOLUTION TO INSTALLING ZIPPRIV®, ZIPSHO®, ZIPSCREW®, AND ZIPGROOVE™ QUICKRIVETING® PRODUCTS.

The RK-753 HydraPneumatic QuickRiveter™ separates the nose of the tool from the weight of the tool body, therefore, the operator carries only 2.37 lbs, while the heavier remote intensifier is stored at ground level. In addition, an on-board oil reservoir allows for proper lubrication during use. Applicable nose pieces, mandrels, springs, and spare parts are always available from your local distributor.

RK-753P QUICKRIVETING® HAND TOOL
